

D-ASM

Diploma in Automobile Servicing & Mechatronics

STUDY • TRAIN • WORK IN GERMANY

Indo-German Skill Program (IGSP)

3 Years

Total Program

NSQF 4.5

Level

40

Credits

€1,000–1,200

Monthly Stipend

Automotive Mechatronics

- Volkswagen
- BMW
- Mercedes-Benz
- Audi

Why Automobile Mechatronics?

Specialists Work On:

- 1 Vehicle Diagnostics
- 2 Electronic Control Systems
- 3 Engine & Transmission Systems
- 4 Electric & Hybrid Vehicles
- 5 Advanced Automotive Electronics

High Demand Worldwide

With the rise of electric vehicles and smart automotive technology, skilled mechatronics technicians are among the most sought-after professionals globally.

Germany Needs YOU

Home to Volkswagen, BMW, Mercedes-Benz & Audi — Germany faces a critical shortage of trained technical professionals and recruits thousands every year.

Program Structure Overview

Learn in India • Earn in Germany

TOTAL PROGRAM: 3 YEARS | NSQF LEVEL 4.5 | 40 CREDITS

D-ASM | Indo-German Skill Program (IGSP)

Eligibility & Year 1 Curriculum — India Phase

Eligibility Criteria

- ✓ 12th Pass (Science / Vocational / ITI preferred)
- ✓ Age: 18 – 24 years
- ✓ Basic English proficiency
- ✓ Willingness to learn German
- ✓ Interest in automotive engineering

Semester I — Foundation + A1–A2 German (6 months)

- Engineering Physics, Maths, Chemistry • Manufacturing Technology
- Workshop Practice: Lathe, Milling, Drilling, Welding, Grinding
- Machine Drawing, Engineering Graphics, GD&T

Semester II — Advanced Automotive + B1–B2 German (6 months)

- AutoCAD / SolidWorks • Microprocessor & Automotive Electronics
- Diagnostic Tools & Service Practice • Industrial Engineering
- Internship (Automotive Workshop) + Industry Final Project

2120 Total Training Hours

Component	Hours
Theory	600
Practical / Workshop / Lab	580
Internship / Industrial Training / Project	240

Training & Apprenticeship in Germany

Ausbildung — 2 Years of Paid Vocational Training, Fully Sponsored by German Industry

During the Ausbildung Phase

- ✓ Train directly at German automotive companies
- ✓ 3–4 days/week at company + 1–2 days at Berufsschule
- ✓ Training is 100% industry-sponsored (free)
- ✓ Learn German workplace culture & standards

Real-World Experience In:

- Automotive diagnostics • Engine repair & maintenance
- Mechatronics systems • Vehicle electronics
- Industrial automotive servicing

€1,000–1,200

per month stipend during training

Earn while you learn — covers rent, food & transportation

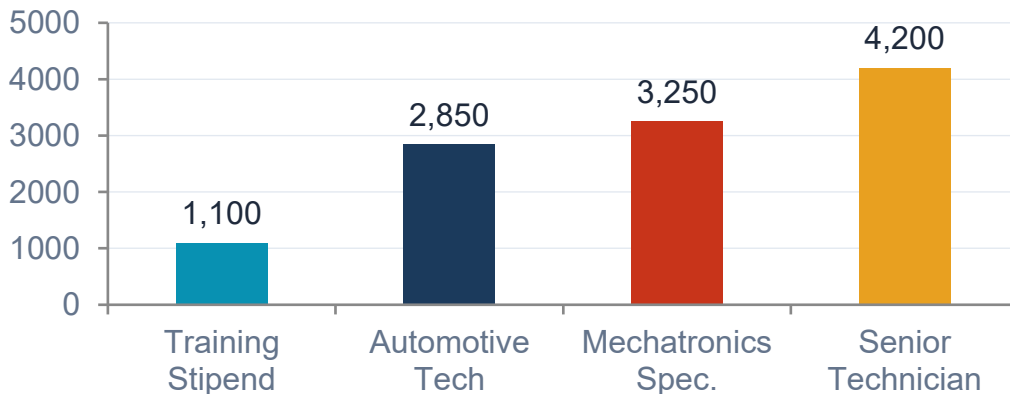

Your Stipend Covers:

-  Accommodation / Shared Apartment (WG)
-  Food & Groceries
-  Transportation
-  Personal & Learning Expenses

Salary After Completion & Career Opportunities

Typical Salary in Germany After Training

Role	Monthly Salary
Automotive Service Technician	€ 2,500 – 3,200 / month
Mechatronics Specialist	€ 3,000 – 3,500 / month
Senior Technician	€ 4,000+ / month
Annual Package	€ 30,000+ / year

In Germany / Europe

- Automotive Service Technician
- Mechatronics Technician
- Industrial Maintenance Technician
- Vehicle Diagnostics Specialist

In India

- Automobile Service Engineer
- Diagnostic Technician
- Manufacturing Floor Technician

Your 5-Step Journey from India to Germany

18 Months to Reach Germany (12 months foundation course + 6 months placement & visa)

01

Enroll & Build Foundation

Join IGSP, select specialization, begin diploma + German language classes in India

02

Master German & Skills

Achieve B1/B2 German proficiency + complete practical diploma training

03

Get Matched & Interview

Team crafts your German-style CV; network of 150+ partner companies secures interview

04

Secure German Contract

Sign official Ausbildung contract with stipend details + training program

05

Visa & Fly to Germany

Experts guide you through the entire visa process until you board your flight

Integrated German Language Training

A1 → A2 → B1 → B2 | ~500 Hours |

A1

60 hrs | 9 wks

4 batches/year

Everyday expressions & basic phrases

Live Online

A2

80 hrs | 12 wks

3 batches/year

Simple & routine communication tasks

Live Online

B1

120 hrs | 16 wks

2 batches/year

Describe events & provide explanations

Hybrid (Online + Offline)

B2

160 hrs | 18 wks

1 batch/year

Advanced communication in the workplace

IGermany (Refresher)

Campuses & Partner Institutions in India

IGTR Chhatrapati Sambhajinagar

 *Indo German Tool Room, Jhadav Mandi, Chilkalthana, Maharashtra 431006*

D-ASM • CMO • DIA

Specialized technical institute focusing on gear technology and manufacturing. Offers diploma, certificate & research programs.

Manipal Institute of Technology

 *Udupi-Karkala Rd, Eshwar Nagar, Manipal, Karnataka 576104*

D-ASM

Institution of Eminence (MAHE) with global academic ecosystem, advanced infrastructure & industry-integrated learning.

Key Features of IGSP Campuses:

- Global academic recognition
- State-of-the-art labs & technical training facilities
- Strong industry-oriented learning
- Multidisciplinary engineering environment
- Students from 60+ countries

About GRAAM IICT

Medhavi Skills University, Sikkim

- ✓ UGC-recognised university (MSU Act 2021)
- ✓ Work-Integrated Learning model
- ✓ Up to 70% practical, hands-on training
- ✓ 650+ industry & skilling partners
- ✓ NEP 2020 aligned curriculum

GRAAM IICT EDUCATION PVT LTD

| Formerly Indian Institute of Computer Technology | IICT | Since 1996

Study Abroad & Admissions

28 years • 4000s placed

Online Training & Coaching

FMGE, NExt, USMLE, PLAB, DHA prep, AI, No-Code & Digital Marketing skills

Medical & Aviation

MBBS admissions – India and abroad, ► Commercial Pilot Licence (CPL)

Skill & Talent Mobility

Skill mobility for working professionals, Talent mobility consulting for employers
